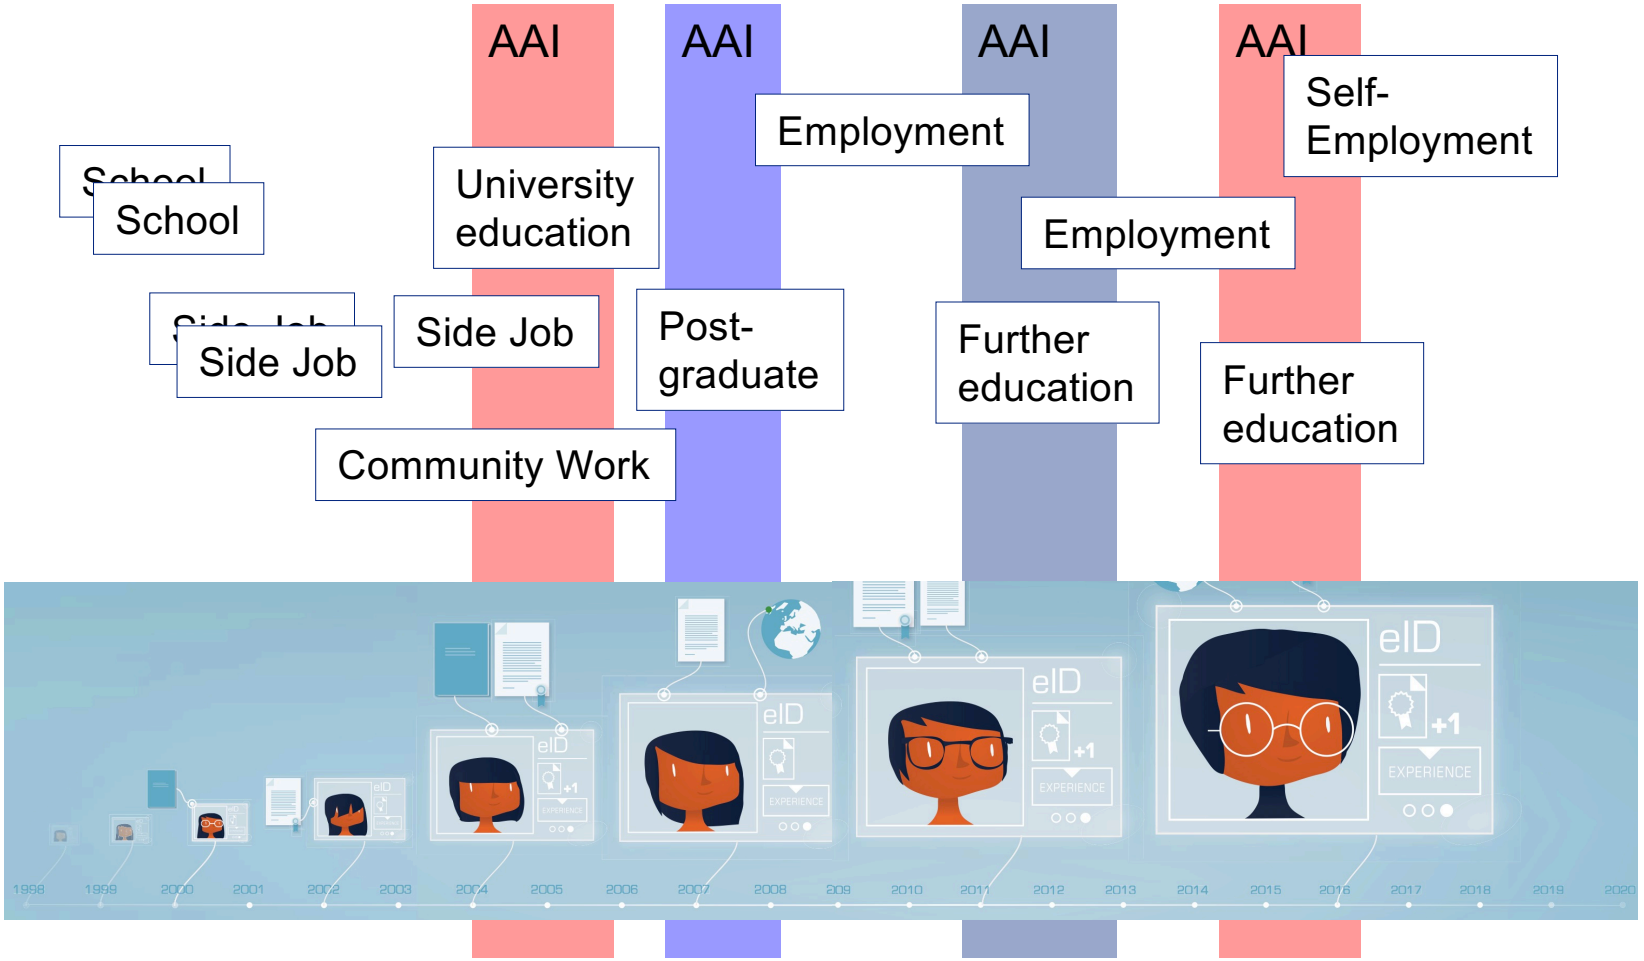
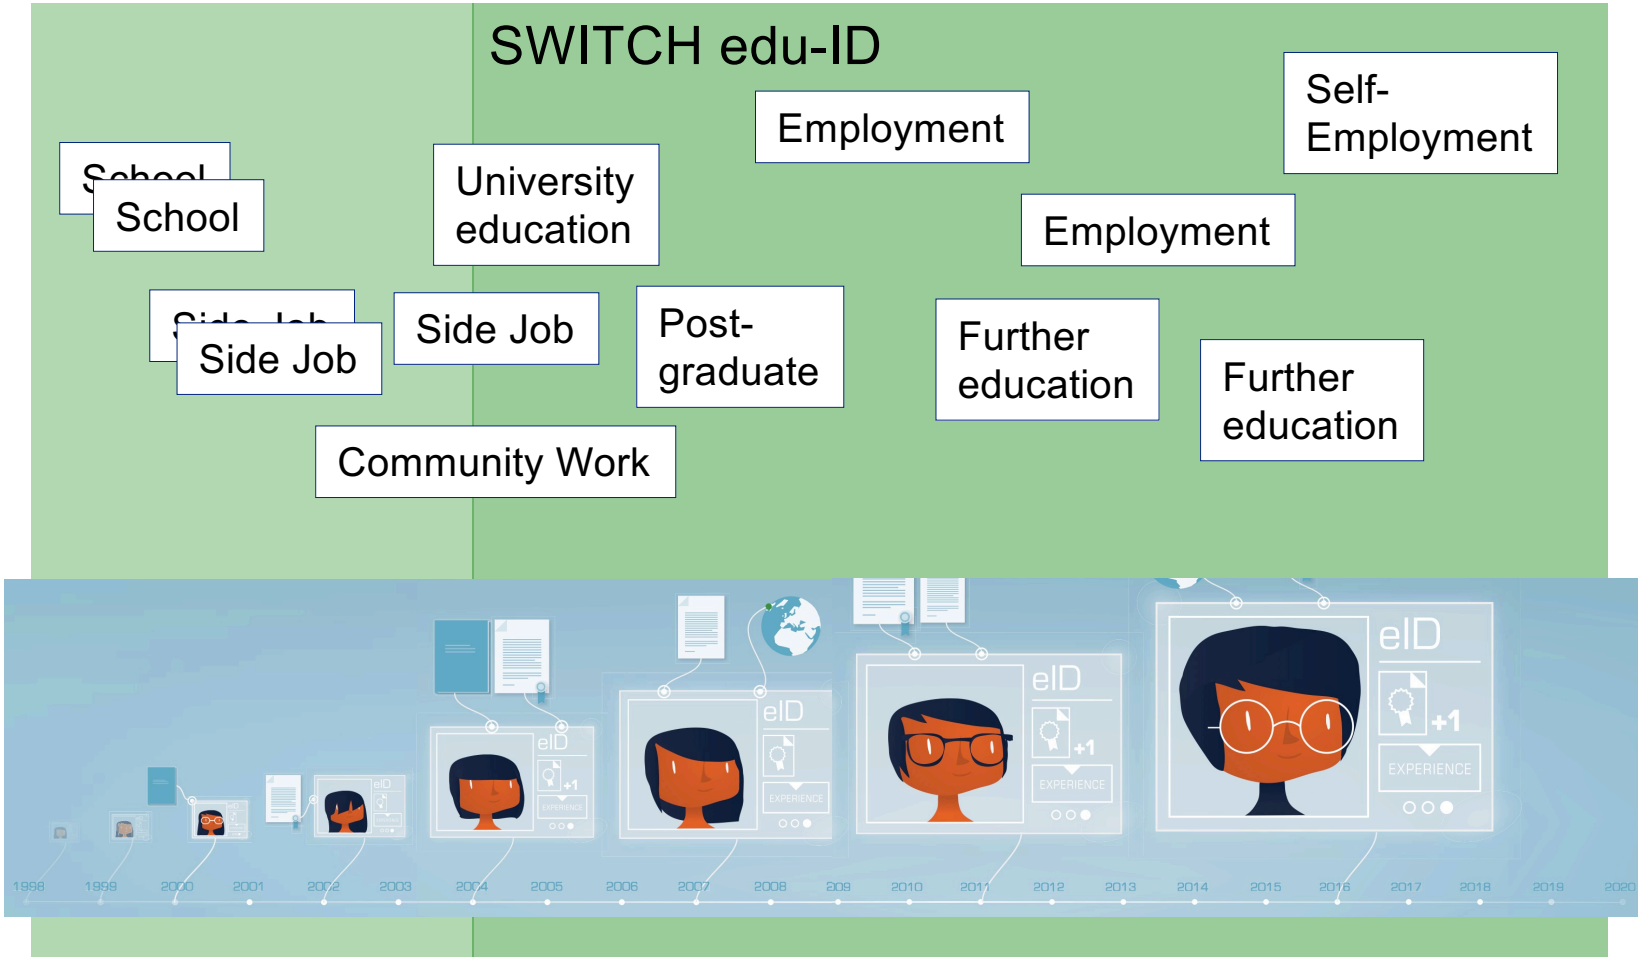
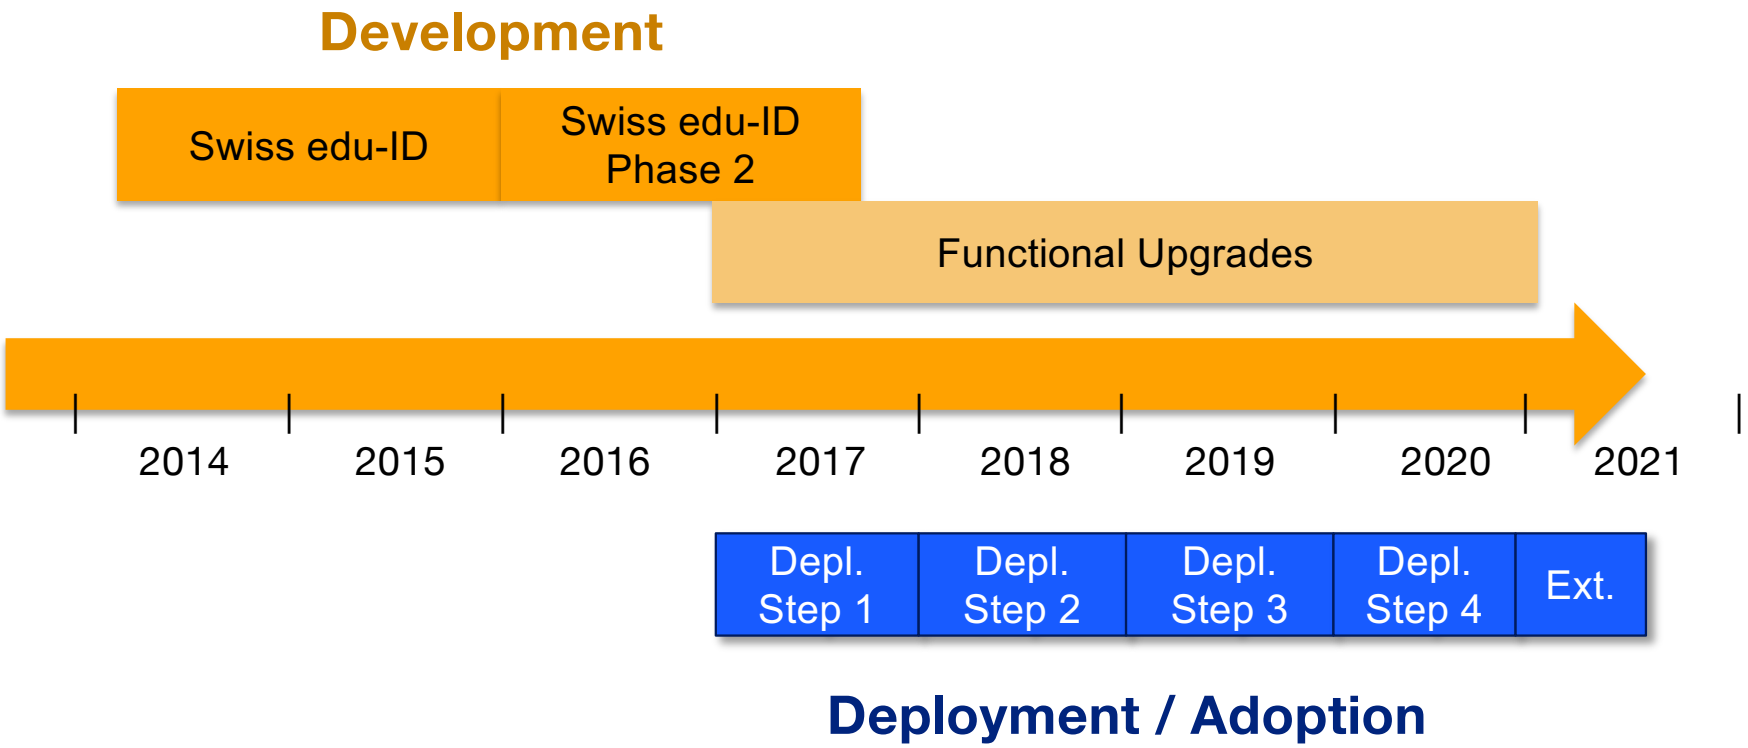
The life-long learner’s journey



The life-long learner’s journey



Swiss edu-ID project roadmap 2014-2021



P5 Project Swiss edu-ID Wrap-Up

22/36 swissuniversity members fully integrated SWITCH edu-ID:

- 0/2 ETHZ & EPFL
- 8/10 cantonal universities
- 6/11 (Nov 21: 7.5/11) universities of applied sciences
- 8/13 universities of teacher education

High-level achievements:

- Project collaboration on core processes with 38 community organisations
- SWITCH edu-ID established as standard for identity management in our community
- SWITCH edu-ID established as standard for lifelong-learning identities with inclusion of libraries and established collaboration with Educa
- SWITCH became a “big player” in the domain of identity management in Switzerland (500’000+ managed identities)
