Process of Publication

Send to the editorial body

Once you have finished working on the transcribed page, it should be transferred to the editorial body for checking and release.

You can do this either direct from the editor by clicking on the downward pointing arrow

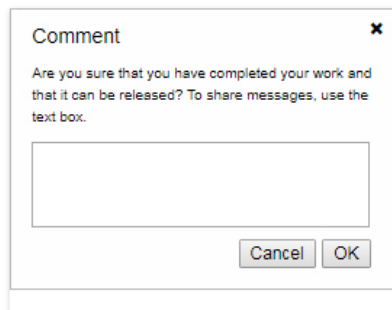

or via the overview of activities in the "Last activity" menu item.

by clicking on the  symbol.

This will open a comment box which you can use or leave blank. The automatically generated mail to the editorial body already contains the opening salutation.

Once you have sent it, you cannot make any more changes until the page has been released by the editorial body.

The editorial body checks every page. If there are no objections, the transcript is published on e-manuscripta.ch; otherwise the transcriber will receive an e-mail informing them that revisions are required.

Ich habe Ihrer Buchhandlung von meinem Gedanken
noch kein Wort gemeldet, sie wird, denk' ich einen
heiligen Schauer vor Herausgabe einer periodischen
Schrift haben. – Fragen Sie sie doch beiläufig, ob
sie den Verlage annehmen will, als Monats-
oder Quartal Schrift. Ich denke das Wort helvetische
und schweizerisch schadet der Firma eines Journals
in Deutschland. – Nennen Sie das Potponeri wie-
Sie wollen, Alle Gottheiten, des Olgung sind aber
heut zu Tage schon in Requisition der Journalisten-
doch noch nicht: die Orden, so viel ich weiß,
Genug, ich hab Ihnen durcheinander hingeplaudert, was
ich auf dem Herzen hatte – antworten Sie nun-
und zugleich, ob Ihre Buchhandlung den Versuch mit
mir wagen will, oder nicht? Das Neujahr ist nahe,
wenn wir anfangen wollen,
behalten Sie lieb Ihren
schatten
