The Commonwealth

The Commonwealth of Australia represented by Department of Education
50 Marcus Clarke Street, CANBERRA ACT 2600
ABN 76 337 613 647

Background

The Commonwealth has agreed to enter into this Agreement under which the Commonwealth will provide the Grantee with one or more Grants for the purpose of assisting the Grantee to undertake the associated Activity.

The Grantee agrees to use each Grant and undertake each Activity in accordance with this Agreement and the relevant Grant Details.
Scope of this Agreement

This Agreement comprises:

(a) this document;
(b) the Supplementary Terms (if any);
(c) the General Grant Conditions (Schedule 1);
(d) the Grant Details;
(e) any other document referenced or incorporated in the Grant Details.

Each set of Grant Details, including Supplementary Terms (if any), only applies to the particular Grant and Activity covered by that set of Grant Details and a reference to the ‘Agreement’ in the Grant Details or the Supplementary Terms is a reference to the Agreement in relation to that particular Grant and Activity. If there is any ambiguity or inconsistency between the documents comprising this Agreement in relation to a Grant, the document appearing higher in the list will have precedence to the extent of the ambiguity or inconsistency.

This Agreement represents the Parties' entire agreement in relation to each Grant provided under it and the relevant Activity and supersedes all prior representations, communications, agreements, statements and understandings, whether oral or in writing.

Certain information contained in or provided under this Agreement may be used for public reporting purposes.
A. Purpose of the Grant

The purpose of the Grant is to:

Attract and support international and domestic students to study in regional Australia, to grow and develop regional Australian tertiary education providers and offer students a high quality learning experience. The program will:

- enhance regional and rural Australian tertiary education providers through promoting activities that contribute to growth and sustainability
- offer students from Australia and overseas the opportunity to undertake high quality education, training and research in, and to experience regional and rural Australia
- ensure regions share in the benefits of our $35 billion international education sector.

The intended outcomes of the grant opportunity are:

- international and domestic students receive Australian Government scholarships for studying in regional Australia
- increased awareness of the benefits of living, studying and working in regional Australia.

This Grant is being provided under, and these Grant Details form part of, the Agreement between the Commonwealth and the Grantee.

The Grant is being provided as part of the International Education Support program.
Destination Australia Program

B. Activity

The Destination Australia Program will:

- enhance regional and rural Australian education institutions through promoting activities that contribute to growth and sustainability;
- offer students from Australia and overseas the opportunity to undertake high quality education, training and research in, and to experience regional and rural Australia; and
- ensure regions share in the benefits of our $35 billion international education sector.

The intended outcomes of the funded Activity are:

- international and domestic students receive Australian Government scholarships for studying in regional Australia; and
- increased awareness of the benefits of living, studying and working in regional Australia.

In carrying out this Activity and in adherence of the requirements outlined in the Destination Australia 2020 Grant Opportunity Guidelines (the guidelines), you must allocate, administer and promote scholarships for international and domestic students studying in regional Australia.

Funding of $15,000 per scholarship, per year, and $1,500 in promotional and administration assistance per scholarship, per year, is awarded for you to run processes for allocating and awarding scholarships to eligible students. GST is out of scope for this Activity.

You must award scholarships to students who meet and adhere to the following criteria for the duration of the scholarship:

- are a new student to the tertiary education provider
- maintain ongoing residency in a regional area as defined by the Australian Statistical Geography Standard Remoteness Structure from the Australian Bureau of Statistics. Where a course includes study outside a regional area (for example, for a clinical placement), residency away from the regional area is permitted for no more than one study period (not exceeding 6 months) per qualification where the qualification is longer than 2 years, or 25% of the qualification length where the qualification is 2 years or shorter.
- are enrolled at and study at a regional campus of a registered tertiary education provider as defined by the Australian Statistical Geography Standard Remoteness Structure from the Australian Bureau of Statistics
- are studying full-time in a course that can be fully delivered at one of the tertiary education provider’s regional campuses
- are studying one of the following qualification levels
  - Certificate IV,
  - Accredited Diploma,
  - Advanced Diploma or Associate Degree,
  - Bachelor Degree,
  - Bachelors Honours Degree,
  - Graduate Certificate or Graduate Diploma,
  - Masters or Doctoral degrees.
- international students are also required to maintain a Student Visa for the duration of the scholarship in order to ensure protection under the Education Services for Overseas Students (ESOS) Act 2000.

If a scholarship student loses eligibility during the course of the scholarship period, no additional scholarship funding should be paid to the student. Tertiary education providers can reallocate any future year funding associated with that student to a different student who meets the eligibility criteria.
The number of scholarships you are to provide is listed below:
