

Russian Government Scholarships

STATEMENT OF ADMISSION FOR STUDY FOR FOREIGN CITIZEN IN 2016/2017 STUDY YEAR

The Scholarship Program provided by the Russian Government will be implemented at the expense of allocations from the federal budget of the Russian Federation and includes **covering all tuition fees, part of the living expenses and a monthly scholarship (about 3000 RUR)** during their studies in Russia.

Regulations of admission

- Candidates for admission to Russian higher educational institutions are supposed to have the educational level equivalent to the complete secondary education in Russia.
- It is preferable that the age of candidates for admission doesn't exceed 27 years.
- Those candidates who have Master's Degree in Science/Arts can be admitted to the post-graduate course of study (Aspirantura) in the Russian higher educational institutions. Their age should preferably not exceed 35 years.
- It is necessary for all candidates to undergo the medical examination, including HIV Blood Test and a certificate indicating that their health permits them to stay in the Russian climate. In case health reasons prevent an admitted candidate from studying in the Russian Federation, he/she will have to leave Russia, providing that the travelling expenses are to be paid by the sending side.
- Each candidate for admission to the Russian higher educational institutions should submit to the Ministry of Education of the Russian Federation through the Russian Embassy the following documents in English, composing his/her personal file:

List of required documents: (all application documents must be translated in Russian language and notarized by the Russian Embassy)

1. Application form (one original and two copies)
2. Six (6) passport size photos (4X6).
3. Copies of documents confirming subsequent educational levels including transcript of records;
4. Medical certificate issued by a registered medical institution of the candidate residence country;
5. Certificate of HIV and AIDS negative test results issued by the official authority of the candidate residence country;
6. A certified true copy of the Birth Certificate
7. Copies of passport pages containing information required for study visa, valid for at least 18 months from the start date of the entry student visa (clearly readable pages containing the setting data for invitation);
8. Other relevant documents (diplomas; international, national and other academic contest certificates).
9. For admission to PhD programs: abstract in Russian language; list of publications.

Note:

- **If documents of the foreign candidates are not translated into the Russian language, not notarized, not meet the requirements or provided by the candidates without affirmed procedure, they will not be accepted to consideration. You can translate and notarize your documents in the Embassy.**
- In case if a foreign citizen doesn't speak Russian language, he/she can get admission to the Russian language course in capacity of attendee with state academic scholarship during all period of study despite academic records. Period of study - 1 study year.
- Transport and insurance fees are to be paid at the student expenses. Foreign student arrived to the territory of the Russian Federation is obliged to buy a certificate of insurance (about 5000 RUR per year).

Annotations:

Upon arrival the foreign students must have a passport, which must be valid at least for 18 months from the start date of the entry student visa, original educational certificates with transcripts,

medical certificate of overall health condition including HIV + AIDS certificates and 7 photo of 4x6 size.

1. The foreign students are recommended to be properly equipped (regarding climate conditions of the study region) and to have cash amount for arrival expenses.
2. The foreign students must pay all expenses of airport meeting, transfer and medical insurance on the territory of the Russian Federation (approx. 250 USD – meeting and transfer, and approx. 250 USD annually – medical insurance).
3. In accordance with the Migration Legislation of the Russian Federation the foreign students are obliged to arrive not later than 35 calendar days before an entry visa expires.
4. Receiving educational organizations do not take obligations for arrival and stay in the Russian Federation of relatives and families of the foreign citizens admitted to studies.
