## Cross-cutting issues, e.g. Open Access (and Open Data)

---

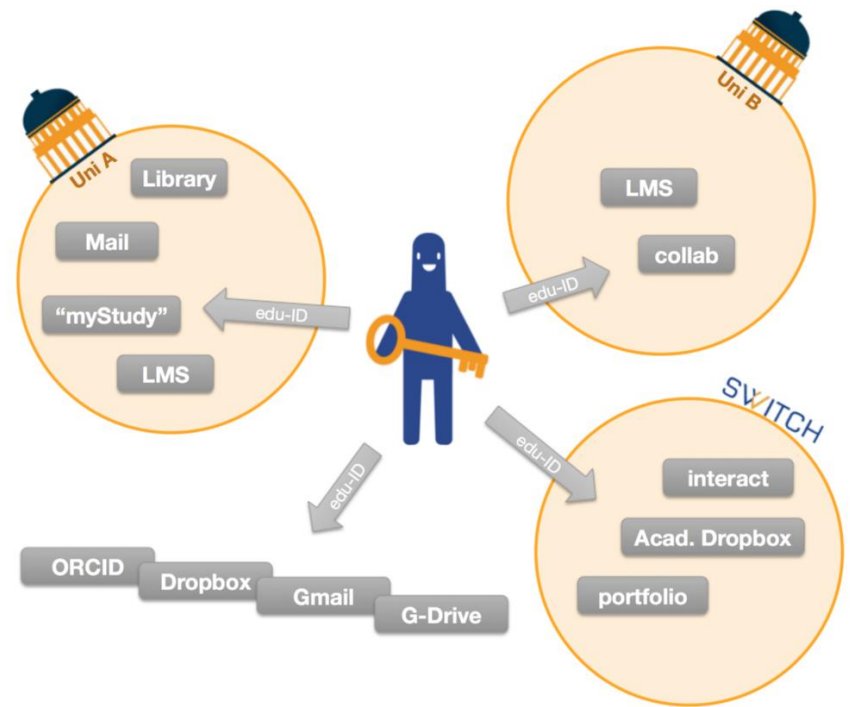

- Project National Licences:  
Negotiation criteria (coupling to current content licences → „rolling archives“, exclusion of hybrid products, negotiation of secondary publication right for all publications in Swiss repositories)
- Project Pilot ORD@CH („Hub“ for research data):  
How open can/should research data be? ([openresearchdata.ch](http://openresearchdata.ch))
- Swissbib:  
Open licences for metadata?

## Next steps

---

## Swiss universities: united for better service?

---

### Program management:

- Develop the project application 2017-2020 for swissuniversities (end of 2015)
- Review the strategy: reinsure the framework, review the implementation actions (2016)
- Network with stakeholders, multipliers, opinion leaders (swissuniversities, SNF, SWITCH, libraries, academies of sciences, ...)
- (...)

### You:

- Submission deadlines: 21 February / 14 August 2016
- Your participation, your suggestions, your feedback, your interest!
